

NATSO ///check-link/// Application

1. Send a **non-refundable** \$30 application fee with completed application. Payment must be received in the form of a check and should be made payable to: NATSO Check-Link. (There is a \$30 fee for all returned checks.)
2. The \$30 application fee is good for **one year**. This annual fee of \$30 (\$2.50/month) allows you to write an unlimited number of checks, averaging less than the cost of ATM fees.
3. Enclose a copy of a check from each checking account you plan to use - deposit slips and starter checks are **not** acceptable. If you are paying NATSO with the same checking account you'll use on the road, there is no need to include an additional copy of that check.
4. Allow 2-4 weeks for processing. NATSO must process your check and then contact your provided references (bank and/or truckstop). Once approved, an official acceptance letter will be sent to you, you'll be listed in the NATSO Check-Link database and you will be able to cash your registered checks at NATSO member truckstop and travel plaza locations – for **no fee** at the fuel desk.
