Nemco understands the key to bigger foodservice profits. Every innovative product at Nemco is designed to be simple, durable and most of all, compact. Royal Buying Group has negotiated national chain pricing and a 5% rebate on all equipment purchases, for all Royal Buying Group members.

3 WIRE-Royal Buying Group members now enjoy discounts on foodservice and Beverage equipment parts to help keep truck stop/travel centers running profitably. Leading beverage and foodservice equipment parts distributor 3Wire has signed an agreement with Royal Buying Group, Inc., providing locations increased buying power by pooling the purchasing power of thousands of locations. 3Wire offers Royal Buying Group members an average discount of up to 25% and an additional 2% rebate on more than 180,000 replacement foodservice and beverage equipment parts from more than 200 original equipment manufacturers (OEMs). Now member retailer's equipment such as warmers, microwaves, display cases, table top ovens, hot dog corrals, dispensers, ovens, coffee and cappuccino equipment can be repaired for less money when they take advantage of the 3Wire discount. 3Wire distributes thousands of

replacement parts including knobs, switches, valves, motors, heating elements, and thermostats from manufacturers such as Hatco, Bunn-O-Matic, Cecilware, Blodgett, Amana, Duke, and Wilbur Curtis (Nemco Food Equipment, too), to name a few. To receive their discount on equipment parts, members may order parts from the 3Wire webstore (RBG's special pricing and rebates available on special link-call Royal Buying Group, Inc. at 888.728.3724 for more details) or by logging in through the Royal Buying Group website (www.royalbuying.com). Members can watch for 3Wire specials on website banners (www.royalbuying.com) and also in Royal Buying Group's monthly publication The Competitive Edge.
